

CHAMPION SKANSEN'S LAST MAN STANDING

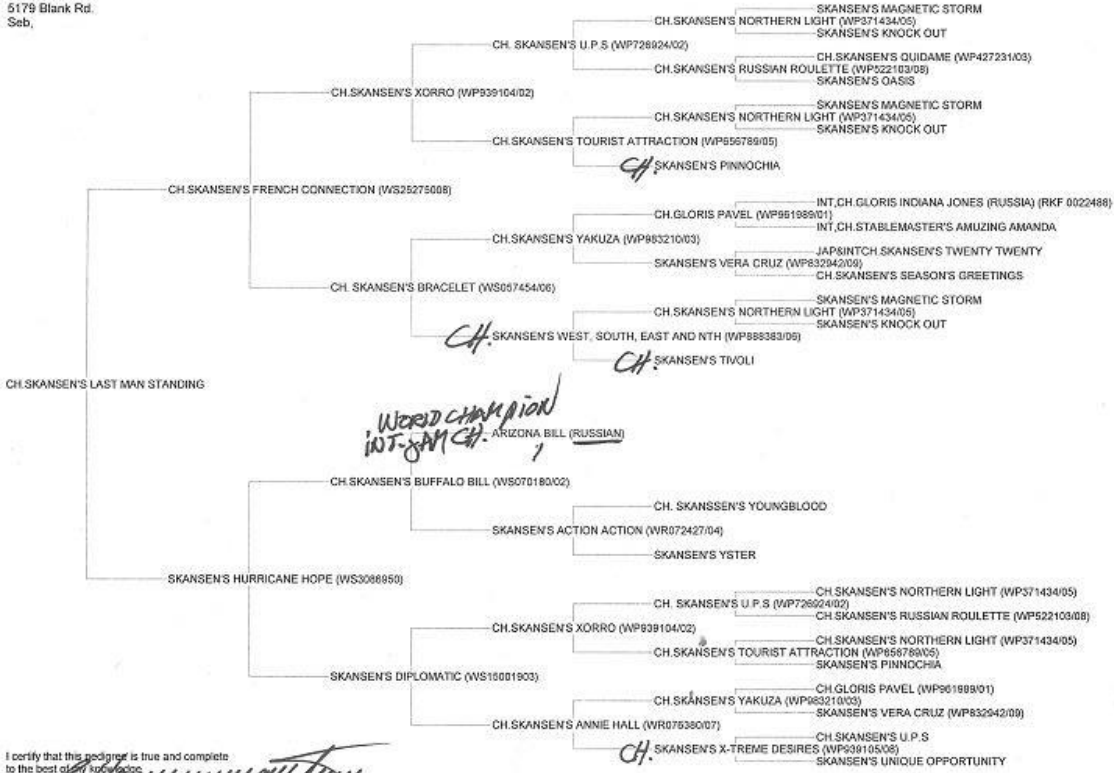

Born in November 2013, Last Man Standing is our newest champion.

Last man standing is a son of Ch. Skansen's French Connection who is presently one of our top stud-dogs, with many champion offspring. We expect last man to continue in his sire's footsteps and be great a stud-dog.

Last man is a big, powerful male with excellent movement and structure. He is an extrovert, but calm and easy going. In this photo he is exactly one-year old.
