

CHAMPION SKANSEN'S LONDON

This beautiful P/S is a son of Grand Champion Skansen's Great Gatsby (only 11 months in this photo). London has an excellent coat and color. He is a powerful dog with beautiful bone and substance. His temperament is calm and gentle and friendly with dogs and people.

We think he is even better than his sire, the top winning p/s male in the history of his breed with 12 all-breed best in show.
