

## International Champion Skansen's Gentleman's Agreement

Born: October 11, 2008

Sire: Hassanhill's Albert Rose "Mr. Big"

Dam: Skansen's Designing Woman

Gentleman is one of my very favorites! He easily won his International Championship and placed first and third in the Terrier groups. This beautiful boy with the sweetest temperament combines the best from Sweden, Spain, Brazil, Hungary and the USA. We are truly looking forward to his offspring which I expect will be as lovely as Gentleman in both looks and temperament.
