Biography

A very elegant giant who has been a true world traveler. Living his early years in Mexico he quickly became the **#1 Giant Schnauzer in Mexico** for 1996. Ty is an **American, Guatemalan, Mexican & International Champion** with his Canadian title to hopefully be obtained later this year. He is very similar to his father Lucas only with more hair.

Ty as a very young dog received a Group placement in his very first show from the classes and finished his American championship during a GSCA regional specialty

weekend under tuff competition being handled by Tim & Brenda Nyx.

Ty returned to America in late 1998 and after a few months off to become a father at the ranch he was sent to the Midwest to be exquisitely shown by non other then Ken Murray and owned by the Rutkas Family. Ken and Ty are quite the team and are already starting to rack up some really great wins!
